Know the Routines. Be alert as you go about your daily business. This will help you to learn the normal routines of your neighborhood, community and workplace. Understanding these routines will help you spot anything out of place.

Be aware of what is going on around you. Whether traveling, at work or at home, be on the lookout for suspicious activities. Learn to spot suspicious mail, packages, or abandoned luggage.

Take what you hear seriously. If you become aware of criminal or suspicious activity, or someone claiming to be a member of a terrorist organization, take it seriously and report it to law enforcement immediately.

If You See Something, Say Something!
