Canal Village Revitalization

Join Us!

Come and see the draft nomination for the Canal Village Revitalization Brownfield Opportunity Area (BOA) and Local Waterfront Revitalization Program (LWRP). This report is a culmination of the public workshops conducted with the community to define the vision for the future of Canal Village area in the City of Mount Vernon. The final presentation will discuss the goals, challenges, opportunities, and possible solutions for the area that emerged after an inventory of existing conditions and input from the community.

Subjects will include:

- Canal Village Goals
- Historical Resources
- Strategic Sites
- Key Buildings
- Parks and Open Space
- Hutchinson River Parkway Trail
- Business and Employment Opportunities
- Street Improvements
- Placemaking Strategies
- Environmental Opportunities
- Zoning Analysis
