The applicant, Shanti Lachman represented by Shahin Badaly, seeks to construct a 3-car garage and repair a retaining wall. A Certificate of Appropriateness is required.

SEQRA Determination: This action is a "Type II" action; therefore, ending the SEQRA process.

ITEM #4 ADMINISTRATIVE ACTION - SEQRA Determination: This action is a "Type II" action; therefore, ending the SEQRA process.

4.1 Proposed MX-1 Zoning Ordinance Recommendation – City Council Request

Recommendation to City Council Regarding Proposed MX-1 Zoning Ordinance According to Section 267-56 of the Zoning Code *"If any amendment is to be considered by the City Council, it shall be referred for review and report to the*

Planning Board, the Corporation Counsel and other board (Architectural Review Board), agency or official of the city which the City Council deems appropriate. All boards, agencies and officials to which such proposed amendments are referred shall not have less than 30 days from the date of forwarding, or from the date of revision by the petitioner whichever is later, to submit their reports”.

The Proposed MX-1 Zoning Designation is proposed as an “As-of-right” mixed use zoning designation. This designation is proposed for the rezoning of East Third Street between South Fulton Avenue and South Columbus Avenue. Previously, the proposal was in SEQRA review to assess the environmental impacts which may result from the proposed rezoning. The City Council held a public hearing; wherein, further assessment of the proposed ordinance was indicated. Accordingly, the Planning Board has been asked to review the proposed ordinance prior to moving forward to ensure that ordinance appropriately encourages development in a contextual manner for the area.

4.2 Proposed Adaptive Reuse Zoning Ordinance Recommendation – City Council Request

Recommendation to City Council Regarding Proposed Adaptive Reuse Zoning Ordinance

According to Section 267-56 of the Zoning Code “If any amendment is to be considered by the City Council, it shall be referred for review and report to the Planning Board, the Corporation Counsel and other board (Architectural Review Board), agency or official of the city which the City Council deems appropriate. All boards, agencies and officials to which such proposed amendments are referred shall not have less than 30 days from the date of forwarding, or from the date of revision by the petitioner whichever is later, to submit their reports”.

The Proposed Adaptive Reuse Zoning Ordinance is proposed as an “As-of-right” mixed use zoning designation. This designation is proposed for the rezoning of:

- East First Street between South Fulton Avenue and South Fourth Avenue;
- Gramatan Avenue between East First Street and Prospect Avenue;
- Elm Avenue between Park Avenue and Portugal Place; and
- Prospect Avenue between Gramatan Avenue and Portugal Place.

The purpose of the is proposed ordinance is to provide a provision for conversion to mixed use structures is necessary to retain the City's existing historical, cultural and/or architectural character of the City's Downtown due to the economically underperforming upper-story space of commercial-only structures within the Downtown Mount Vernon East Area.

Currently, the City Council is considering the proposal.

4.3 Proposed Amendment to RMF-15 Zoning Ordinance Recommendation – City Council Request

Recommendation to City Council Regarding Proposed Amendment to RMF-15 Zoning Ordinance

According to Section 267-56 of the Zoning Code *“If any amendment is to be considered by the City Council, it shall be referred for review and report to the Planning Board, the Corporation Counsel and other board (Architectural Review Board), agency or official of the city which the City Council deems appropriate. All boards, agencies and officials to which such proposed amendments are referred shall not have less than 30 days from the date of forwarding, or from the date of revision by the petitioner whichever is later, to submit their reports”.*

The Proposed Amendment RMF-15 Zoning Designation is a proposal; wherein, multifamily dwellings would be permitted as an “As-of-right” provided that certain criteria are met. This amendment would be applicable to any property within the RMF-15 Zone which meets the criteria. The proposal is in SEQRA review to assess the environmental impacts which may result from the proposed zoning text amendment. The City Council seeks to be lead agency. Accordingly, the Planning Board has been asked to review the proposed ordinance prior to moving forward to ensure that ordinance appropriately encourages development in a contextual manner for the area.

4.4 Proposed Amendment to Sign Ordinance – Recommendation to City Council

Recommendation to City Council Regarding Proposed Amendment to Sign Ordinance

The Architectural Review Board is empowered to make recommendations to the City Council according to Chapter 10-4(E) of the Zoning Code. The Architectural Review Board is assessing amendments to the City’s Sign Ordinance.

4.5 Recommendation to the Zoning Board of Appeals
